We respect other peoples' wishes if they don't want to play.  
We respect the toys and equipment we've been given to play with.  
We respect the school grounds and the areas we get to play in.  
(We are respectful one another during football games, and try to create inclusive teams)

We use our common sense when using the play equipment.  
We use the play equipment safely, in the way that it is supposed to be used.  
We are kind to one another when we play and are mindful of others' feelings.
