

11 by 11- 'Living life in all its fullness' at Woodside

We strongly believe that every child has an entitlement to see and experience the best that has been thought and said through rich and meaningful activities and school visits. To support this, we have identified **11 key experiences that every child will enjoy by the age of 11- our 11 by 11**. These are not experiencing for a few but an entitlement to every child who comes to Woodside. The experiences are carefully woven into the curriculum where there are rich learning links to the rest of their studies, making it memorable as well as developing their knowledge and understanding.

11 things the Woodside children will have experienced by age of 11:

<p>1. To have been to the places of worship of the 5 main religions.</p>	<p>2. To have stayed away from home both locally and further a field.</p>	<p>3. To have represented the school at a sporting event.</p>	<p>4. To become a Young First Aider and be confident in delivering basic first aid.</p>	<p>5. To have visited historical sites of local importance including Coventry Cathedral, Battle of Bosworth, and the Mines.</p>
<p>6. To have the opportunity to gain a proficiency award in sports, environmental or outdoor learning.</p>	<p>7. To organise and take part in a 'Make a Difference Day' where children do things for others and to set up a business to act as philanthropists to give away the profits.</p>	<p>8. To have grown their own produce to enable them to eat healthy and look after the community. and/or participated in a school community day.</p>	<p>9. To perform in a choir or musical production.</p>	<p>10. To have taken part in a STEM project.</p>
<p>11. To understand the importance of the democratic process in and out of school through pupil leadership and visits to the Houses of Parliament.</p>
