

## School Development Priorities

1. Ensure all learners especially those with SEND/DIS achieve well through embedding adaptive teaching.

2. Embed the quality of the depth, breadth, and coverage of the curriculum.

3. Further embed the quality of teaching, learning and assessment to improve the combined % in R, W and M in all year groups.

4. Implement sustainability and STEM learning into the Science and DT curriculum. (PSQM)

5. Develop the R.E curriculum to ensure consistency in coverage with a particular focus on the teaching of other faiths.
